"I saw that!
Thank you."

Good deeds never go unnoticed.

During National Hospital Week, St. Marys would like to recognize all of our hard-working staff. Our employees, physicians and volunteers are what make our hospital a great place to heal, to celebrate new life and to work. For these people, thanks usually comes in the form

of a smile, a handshake or the knowledge that their actions have contributed to the overall quality of care provided at St. Marys. To you we say, thank you. Because it's your commitment to a higher standard that makes St. Marys a world-class organization.

St. Marys Hospital Medical Center • 707 South Mills Street • Madison, WI 53715
